Argentine Anti-Corruption Office Clears President Milei in LIBRA Memecoin Scandal

 DeFi Planet 2025/06/09 13:00

By: DeFi Planet

 SOL +0.42%

 MEME +3.57%

Argentina's Anti-Corruption Office (OA) has officially cleared President Javier Milei of any ethics violations related to his controversial social media post endorsing the Solana-based LIBRA memecoin.

Argentina's Anti-Corruption Office (OA) has officially cleared President Javier Milei of any ethics violations related to his controversial social media post endorsing the Solana-based LIBRA memecoin.

NEW: Argentina's anti-corruption office clears President Javier Milei over LIBRA crypto scam
